Chapter 1 by That Grammar Geek

NEW WORD GAME!!!

RULES:

No using the letter 'e' in your draft. 'e' is the most common vowel and letter in the English language, so it should be extra hard.

You must write one sentence/short paragraph without using the letter 'e' once.

If you are voting on drafts, read thoroughly to ensure that 'e' is not used once. This includes accented letters, such 'é', type in capital or lowercase, (e or E) or anything of the sort. This goes the same for writers.

The topic is AUTUMN, so please, no rude language, and stay on topic.
